Children and Young People Fees & Charges Proposals - 2012/13

1. Introduction

1.1 The Children & Young People Directorate has four areas of income generation. The majority of income (non buy back) generated within the Children & Young People's Directorate relates to the Youth Service. An increase to fees and charges has not been applied to the base budget for the Youth Service in 12-13 due to economic factors impacting on the services ability to generate income in financial years 10-11 and 11-13.

However it is noted that:

- Fees and charges can have a direct impact on usage and take up.
- In some circumstances the Council is providing services in direct competition to the private sector. Where this is the case, price is likely to have a direct link with demand and it is important that the Council does not 'price itself out of the market';
- Raising fees and charges can in some instances work against the Council's social inclusion agenda by effectively discriminating against those who are less able to pay;
- For some services there is a clear expectation that fees and charges will reflect the costs incurred in providing the service. The Council may open itself to legal challenge if the increases it makes cannot be justified.
- Some income generating activities are subject to contractual arrangements
 where the actual levels of charges are set by the contractor, taking into account
 market factors and the parameters agreed with the Council to meet its social
 inclusion agenda. In these cases, marginal increases in fees and charges
 (within Council parameters) are retained by the contractor and therefore do not
 have a direct impact on council budgets.
- 1.2 The main Children and Young People services and functions to which fees and charges apply are:
 - 1. Home to School Transport
 - 2. School Meals
 - 3. Youth Service.
 - 4. GIS Ordnance Survey Maps

2. Specific Proposals

2.1 Home to School Transport

The Fare Paying Scheme, is now a graded fare charging system based on radial distance, this policy was implemented in 2010 -11 approved by Executive.

Summary of Fees and Charges - Home to School Transport 2012/13						
	Current Fee 2011/12		Proposed Fee 2012/13			
	Per Year	Per Half Year	Per Year	Per Half Year		
Band A - Up to 3 Miles	£196.00	£98.00	£199.00	£99.50		
Band B - Up to 6 Miles	£393.00	£196.50	£398.00	£199.00		
Band c - over 6 miles	£753.00	£376.50	£763.00	£381.50		

2.2 School Meals

The school meals contractor is Dolce and 62 schools are in the contract. The meal price is £2.00 for both primary and secondary schools for a two course meal. The School Meals contract is being renegotiated for financial year 12 - 13.

2.3 Youth Service

Youth Officers have set fees and charges across all the centres to ensure compatibility. This includes size of venue, and resources available. Small increases have been applied to charging rates in order not to compromise current demand levels which have been negatively impacted upon by the current economic climate and aid achievement of income targets already applied to the service.

The detailed proposals for fee increases are as follows;
