Welcome to West Berkshire's District-wide Travel Guide

This Travel Guide incorporates bus timetables and public transport information for services across West Berkshire. The information has been checked at time of publication.

However, we recommend planning your journey in advance using the Traveline journey planner at www.traveline.info or by telephoning 0871 200 22 33 (calls from landlines cost 12p per minute).

Connect

This is the overall brand for West Berkshire's bus network, which includes the 'Connect' services that are operated under contract to the Council. The 'Connect' logo denotes services on which WBC's 'Connect Day', 'Connect Group Ticket', 'FlexiConnect', 'Connect-7' and 'Connect-30' period tickets are valid. For more details, see pages 92-93 of this Guide.

Note on colour coding

The coloured roundels or logos on the timetable pages reflect the route colours shown on the various network maps.

A light grey coloured roundel denotes a lower-frequency service, such as the village bus service 110, shown on the map on page 110.

a greener West Berkshire

Thank you for choosing public transport which is a sustainable travel option.

Other local transport information

Who is responsible for your bus service?

There are two categories of local bus service:

- * Services that are run Commercially, as a business venture by a bus operator; and
- * Services - or specific journeys - that are Subsidised, which means that they are financially supported by either West Berkshire Council or by one of our neighbouring authorities.

The main Commercially-operated services in West Berkshire, as this Guide goes to print, are:

32	–	operated by Stagecoach
JetBlack 1, Lime 2	–	Reading Buses

Please note: the Council has no control over Commercially-operated services and you should contact the bus operator if you experience problems with these Commercial services.

If you experience problems with other, Subsidised services, please contact West Berkshire Council.

Bus Companies can change commercially operated services as they see fit, with ten weeks' notice, or less in some cases. This Transport Guide is up to date at the time of printing but changes – some minor, some major – may occur after the publication date.
