## Notrees Care Home

Contrary to its name, Notrees is surrounded by trees in a leafy setting conveniently located just off Kintbury High Street.

It's a small, friendly home housing just 16 residents and offering two rooms for respite use.

Notrees is perfect for frail elderly residents who need support with daily living, night needs and physical dependencies. It is also ideal for those with a secondary diagnosis of early stage dementia.

It provides a social environment with two hairdressers visiting once a week and Opticians and Chiropodists when required. Residents are invited to attend a weekly Communion delivered by the local Church, or visits to the church in Kintbury can be arranged.

A dedicated activities co-ordinator visits once a week to help residents to participate in a variety of activities such as exercise, art and craft, Bingo and Piano Singalong. One to one sessions can be arranged on request.

Two respite beds are available all year round and short stays (1-2 nights) or longer stays (1-2 weeks) can be accommodated.

There are a wide range of meals catering for a variety of dietary needs and allergies.

Our contractor Caterplus provides a nutritious menu which rotates on a six weekly basis, offering several daily choices of breakfast, lunch, dessert, tea and supper. Meals are prepared and homemade at Notrees using fresh ingredients.

All accommodation is on one level and fully accessible as is the pleasant garden which many residents enjoy.

Most bedrooms are equipped with en-suite toilets and we have purpose built bathrooms for safe and accessible bathing. Wardrobes, bedside cabinets and profiling beds are provided but residents are welcome to bring their own furniture, pictures and ornaments (dependent on room size) to ensure that their space is as homely as possible.

**Our vision and mission are underpinned by our core values; Respect, Inclusion, Compassion, and Empowerment.**

We hold regular residents and family meetings are held to ensure we gain feedback from our service users. We actively encourage comments and ideas on how we can continuously improve our services and ultimately, the lives of our residents.

‘My two stays have been very happy, I was really cared for and the food was excellent.’

Respite Customer

‘My mother likes it here and is always singing your praises’.

Family member

‘Mum is well looked after. Staff are very good and care about everyone’.
