What data will we collect about you?

We will collect your name, address, email address and telephone number.

What will we use your data for?

We will use your personal information to provide the service that you have requested, the submission of comments regarding a planning application. In addition, we will use your data to notify you if the application is going to be decided at a Planning Committee and finally, if the application is refused and a subsequent appeal submitted, to notify you of this appeal.

Who will see your data?

Comments for planning applications will be made available for public inspection in accordance with the legislation detailed below. You can request in writing that we do not publish your information on the council's website and public planning file.

If you request for your information and comments to be treated as confidential then your comments will not be considered as part of the planning application.

Your right to refuse

We are legally processing your data under the requirements of **the Town & Country Planning Act 1990, Local Government (Access to information) Act 1985, The Environmental Information Regulations 2004**. As such, there is no legal right to refuse processing as we are legitimately required to do so by UK law. There's more on your rights below (see "Your Rights").

How long will your data be kept?

Your data will not be kept any longer than necessary. You can check how long the organisation will keep each type of data against West Berkshire Council's retention schedule (www.westberks.gov.uk/retention).

How is your data stored and processed?

Your data will be held on the Council's database designed for Planning users and will be protected using up-to-date technical and organisational security measures.

Transfer overseas

Your data will not be stored or sent outside of the UK.

Your rights

You have a number of rights when it comes to the data we hold about you. These are detailed on our request form (www.westberks.gov.uk/dprequest) that also allows you to make a request for us to take action about something.

Complaints

If you've already told us we need to do something, but we haven't responded in a way you're satisfied with, you can complain to the Information Commissioner's Office (the ICO).

It's easiest to do this online via the ICO website (<https://ico.org.uk/concerns/handling/>), but you can also do so in writing to:
