

Appendix 2 Draft Audit of Services and Facilities by Settlement

Introduction

The following profiles provide a summary of the services and facilities identified within and nearby settlement boundaries for West Berkshire, to help assess the sustainability of these settlements. This excludes Newbury, Thatcham and the present Eastern Urban Area (Calcot, Purley and Tilehurst) as these settlements are known to have a wide range of services and facilities and therefore will continue to act as the District's urban areas.

Services or facilities within 1km radius of a given settlement will be included in assessment except for accessibility to a railway station and employment area opportunities which have adopted a 2km search radius. For the purposes of this audit, measurements were taken from the centre of settlements.

Aldermaston

Key Services:

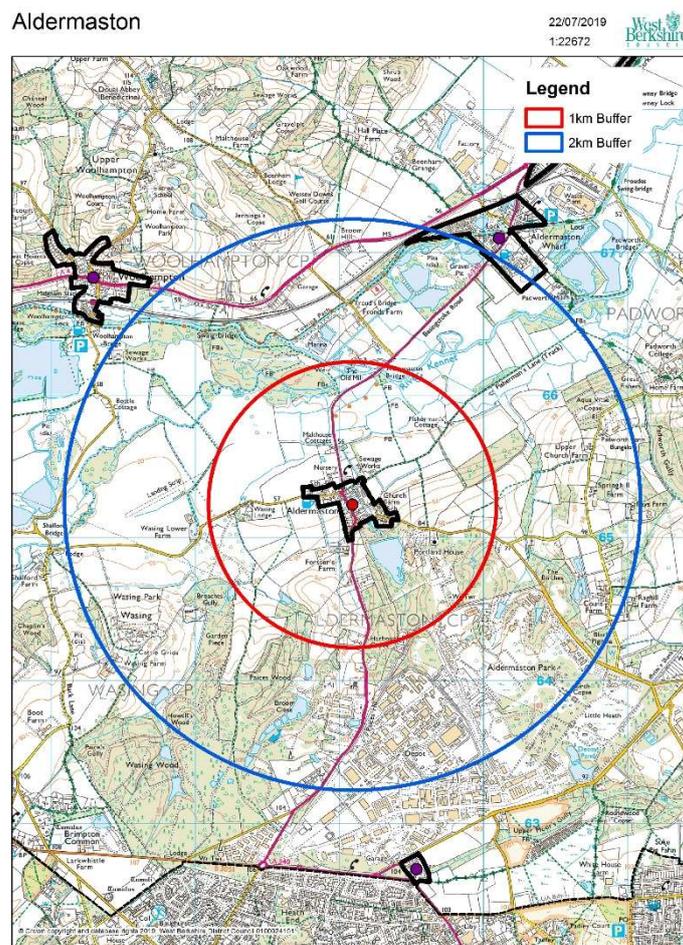

School – Aldermaston Church of England Primary School.
Village / community hall – Aldermaston Parish Hall, The St.

Other services:

Convenience store - Aldermaston Stores, Fisherman's Ln. [Extended hours]
