

"LBC Regulation 19 objection"

WEST BERKSHIRE
COUNCIL

02 MAR 2023

DEVELOPMENT & REGULATION

Dear Council,

I wish to say NO to the Thatcham
NE Development.
To build 1500 - 2500 houses in this
beautiful part of West Berkshire
will destroy the area - no blue sky
at night with stars, no deer on the
common. There will be the noise
of increased traffic on B3 road
here. Where is the exit?
My excellent hospital Row Surgeons
can not cope with more patients.

Can the community shop be enlarged?
The ONE small chemist is not open
all the time. I have to go to Boots
in Greenham common.

When the railway crossing at
Thatcham is down the queue of wait-
ing cars will enter the A4 - more
traffic & noise.

Where are your plans for new
schools? The education of child-
ren has been disturbed through
Covid. We all need stability now.
I speak as a teacher of
years & years of age.

Yours sincerely,

Thatcham
