Commenter Type:	Supporter
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	<p>I live opposite the eyesore that is Rancher, I fully support this application, it will bring the general appearance of Manor Farm Lane up, in turn, it could also increase property values in the village.</p> <p>For people that don't have to look at this eyesore, outside of Manor Farm Lane, please don't object.</p>

Kind regards
