

# YOUR NEW AND IMPROVED BUS SERVICE

to and from Thatcham Broadway / Station  
commencing **Monday 4 November 2024**

Funded by  
UK Government

West Berkshire  
**COMMUNITY  
CONNECT**

**Mondays to Fridays**

It replaces the 41 and 44 service. There will also be some timetabled journeys to compliment this service. Unlike a traditional bus, your new service operates on a pre-bookable on-demand basis. You will be able to travel between the many pick-up points on this service. The new service operates from 0900 to 1445.

## HOW DOES YOUR SERVICE WORK?

You can book a journey using the passenger app. When you request a booking, our smart technology will match up your journey with any other passengers travelling in the same direction.

### **WB Community Connect**

The app can be downloaded for free from the App or Google Play Stores.

#### To book a journey:

1. Download the app
2. Open and Sign Up as a new passenger
3. Select a day for travel
4. Request your pick-up point and destination point
5. Request your preferred departure or arrival time
6. State how many people will be travelling.

Journeys can be booked up to 7 days in advance and, subject to vehicle availability, as little as 30 minutes in advance.

The app will show your closest pick-up and alighting points for your trip and will also let you know the walking distance.

You will receive updates to confirm the exact arrival time of the bus and you can track the journey.

Don't worry if you do not have a smart phone, you can book journeys by:

Telephone: **01635 519650**

Email: **communityconnect@westberks.gov.uk**

*Phones and emails will be answered between the hours of 1000 to 1400 Monday to Friday.*
