<b>Positively Prepared:</b> The LPR should be prepared based on a strategy which seeks to meet objectively assessed development and infrastructure requirements.	
<b>Justified:</b> the LPR should be the most appropriate strategy, when considered against the reasonable alternatives	<b>X</b>
<b>Effective:</b> the LPR should be deliverable	
<b>Consistent with national policy:</b> the LPR should enable the delivery of sustainable development in accordance with the policies of the NPPF	

**3. If you have answered ‘No’ to question 2a or 2b above, please provide details of why you consider the Proposed Main Modification or Proposed Policy Map Change is not legally compliant or is unsound, including any changes you consider necessary to make the Plan legally compliant or sound.**

*You will need to say why this change will make the Local Plan Review legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.*

*Mainly Unsound: -*

*The area includes a narrow lane (Pincents Lane) and a congested mini roundabout at Sainsbury’s junction with the A4 Bath Road, both locations are not suitable for the extra traffic the new dwellings will bring, the infrastructure potential on the roads isn’t there. Congestion at the A4/Sainsbury’s junction is often gridlocked at weekends when the stores (Ikea, Sainsburys, Dunelm) are open.*

*Schools/Doctors are not coping now before we have the extra dwellings, as an NHS worker, the additional housing and demographic of adults and children will put an overload on the infrastructure for these key education and health services.*

*Flooding is a risk for the lower part of Calcot by the A4, to remove the flora and fauna from Pincents Lane will exacerbate the risk of flooding at the M4/Sainsburys Junction and adjoining roads.*

*The new development South of the A4 wedged with the M4 heading towards London has increased the congestion, demand for the services within the area, to add another 138 dwellings will tip the area into London/Reading style congestion and failing facilities due to excess demand. The area can’t take anymore development.*

**Sustainability Appraisal/Strategic Environmental Assessment (SA/SEA)**

**4. Do you have any comments on the updated Sustainability Appraisal/Strategic Environmental Assessment Report – Proposed Main Modifications (November 2024)?**  
*(Please be as precise as possible)*

## Habitats Regulations Assessment

### 5. Do you have any comments on the addendum to the Habitats Regulations Assessment of the Proposed Main Modifications (November 2024)?

*(Please be as precise as possible)*

Page number	
Paragraph number	
Comments:	
<p>I think the habitats of the UK, let alone Calcot is the last concern of this current Government, they just want to build, build, build!</p> <p>I have two young adults (30 &amp; 25yrs) struggling to find homes to buy because of Builder greed and not enough 2/3 bedroomed housing available at affordable prices.</p> <p>The problem is systemic, the housing market is not sustainable anymore, prices are too high. West Berkshire Council have a duty to protect Green Spaces, Boundary Land between Tilehurst/Calcot and the constituents they represent in the area. Therefore, just because we are on the Eastern edge of they area, think logically on this application.</p>
