2026

Collection information

Please make sure your bins/containers are out for collection by **6am**.

Make sure your bin lids are closed and do not leave excess rubbish on the floor.

Collection dates over the Christmas period will be amended. **(Dates highlighted in orange)**

Garden waste* collections will be suspended over the Christmas period.
(*Garden waste collections are a paid-for service)

Please check our website for more information.

You can also check your collection dates online, visit:

Extra black bin collection

To support the move to 3 weekly black bin collections, your property will receive one additional black bin collection to avoid a gap of over 3 weeks during the transition.

- If your usual collection day is Tue, Wed or Fri, your extra collection will be on 20 September 2025.
- If it's Mon or Thur, it will be on 27 September 2025.

Please put your black bin out by 6am on the date listed. All waste must fit inside the bin with the lid closed. We won't be able to return if it's not out on time.

Please note: This extra collection only applies to households receiving this leaflet, as your next scheduled collection would otherwise be more than 3 weeks away.

Need help with the change? We know this change may feel more challenging for some households. To see what support is available and for practical advice on managing your waste, visit: westberks.gov.uk/3-weekly-collections
